

Nov 6, 1917

Bolsheviks overthrew Russian  
provisional government set  
up by Alexander Kerensky (Apr. 22,  
1881 - June 11, 1970)

Mar 1918, Bolshevik Party was  
renamed Communist  
Party

Nov 20 - Dec 4, 1917

## Battle of Cambrai

British launched first  
massed tank assault in history  
against Germans in north  
France; strong German  
counterattack directed by  
Gen. Erich F. W. Ludendorff  
(Apr 9, 1865 - Dec. 20, 1937) forced  
British to withdraw with  
heavy losses.

1917

Revolutions in Russia

1917

Turkey adopted the Gregorian  
Cal.

1917

~~Jerusalem~~

Near the end of World War I, British  
troops under Gen. Sir Edmund  
Allenby drive the Ottoman Tanks  
from the city.

1917-1948

Jerusalem  
British Rule

League of Nations gives Great Britain a mandate to govern Palestine including Jerusalem in 1922. Colonial administrators attempt to divide the city into separate boroughs. The plan failed - and so did the mandate.

1917

U.S. declared War April 6.

1917

Russian Revolution - climax of  
long unrest under Czars.

February revolution - Czar forced  
to abdicate, liberal govt created.  
In Oct. revolution Bolsheviks  
seized power led by Lenin and  
Trotsky.

Nov. 1917

Another revolution in Russia displaced the liberal-socialist regime that had been in power 8 months, and instituted a style of revolutionary one-party government that came to be widely irritated by regimes of the far right, as well as the far left. The Russian revolutionaries' claim to be Marxist communists brought a

a modern religious dimension  
into geopolitics.

1917

Russia adopted the Gregorian  
Cal. after the advent of the  
Soviet government in 1917.

1917

Jerusalem captured by  
British forces.

1917

The British grateful for a method of extracting acetone from maize, promised its Zionist inventor in 1917 that the Jews could set up a national home in Palestine.

March 1917

A revolution in Russia toppled  
the emperor

1917

Turkey adopted Gregorian Cal.
